

Tech Savvy Regional Queensland Grant 2018-19

Program overview

The Tech Savvy Regional Queensland (TSRQ) Grant Program is providing funding to Regional Councils with a population of 30,000 and under, to deliver digital inclusive programming through their library services, that provides opportunities for the whole community to embrace digital technology. This will ensure regional communities can participate in the ever increasing online world, with the real objective of increasing digital inclusion and digital skills.
