QUEENSLAND PUBLIC LIBRARY STANDARDS AND GUIDELINES

RESOURCE LIST

This resource list includes selected material and bibliographies used in research for the development of the standards. It contains other standards and guidelines, both Australian and international, a bibliography on standards and guidelines developed by the Australian Library and Information Association (ALIA), relevant ALIA statements and policies, and other key background reading sources. Each standard also includes subject specific references where appropriate. See <http://www.slq.qld.gov.au/info/publib/policy/guidelines>.
